**The following information is for your use only.
You do not need to send this page to CARE Courses.**

* *Safe Baby, Safe Child* - This course meets the Wisconsin requirement for training in Shaken Baby Syndrome when taken as part of the course work for:

(1) “Introduction to the Child Care Profession” (see below)

AND/OR

(2) “Fundamentals of Infant and Toddler Care” (see below).

Students who use CARE Courses for **both** of these Wisconsin requirements need to take *Safe Baby, Safe Child* only **one** time to meet **both** requirements. Your certificate will be in your record at CARE Courses the first time you take this course.

(1) The following courses are required if you wish to use CARE Courses to meet Wisconsin’s “**Introduction to the Child Care Profession**” training requirement: *Managing Health and Safety*, *Child Development and Guidance* and *The Early Childhood Professional*. If you have not already received credit for Shaken Baby Syndrome training, you may use CARE Courses’ *Safe Baby, Safe Child* to meet this requirement if you take the course as part of “Introduction to the Child Care Profession.” Please send the lessons for all the courses needed to satisfy this requirement to CARE Courses at the same time. **Thank you!**

(2) The following courses are required if you wish to use CARE Courses to meet Wisconsin’s “**Fundamentals of Infant and Toddler Care**” training requirement: *Infants in Child Care* and *Toddlers in Child Care*. If you have not already received credit for Shaken Baby Syndrome training, you may use CARE Courses’ *Safe Baby, Safe Child* to meet this requirement if you take the course as part of “Fundamentals of Infant and Toddler Care.” Please send the lessons for all the courses needed to satisfy this requirement to CARE Courses at the same time. **Thank you!**
